Purpose

To outline the process and credentialing guidelines for outpatient radiology facilities and radiologists interested in participating in the EviCore by EvernorthNetwork and the Oxford network, a United Healthcare Company.

Policy

Oxford has engaged EviCore to perform credentialing as well as quality and equipment review of outpatient diagnostic radiology centers who participate or wish to participate in the Oxford network. The minimum standards for consideration into the Oxford network can be found by clicking *Network Standards* on the lower left-hand side of the EviCore page at <https://www.evicore.com/pages/providerlogin.aspx>.

For Radiology providers who wish to participate in the Unitedhealthcare and Oxford network in New York (NY) New Jersey (NJ) or Connecticut (CT) submission steps can be found here: [Home](#) > [Resource Library](#) > [Join our network](#) > Join our network - Ancillary providers and centers > Imaging/radiology centers/mobile imaging centers:

- Complete the online [questionnaire](#) with required documentation.
- Start a new chat by signing in to the [UnitedHealthcare Provider Portal](#) with your One Healthcare ID. Then, select the icon in the lower-right corner. From the chat window, choose the Provider Onboarding option and state you'd like to join the network.

Radiology centers in New York (NY) and New Jersey (NJ) who are interested in participating in the Oxford network and radiology centers that already participate in the Oxford network and want to add a modality to their practice are required to email the EviCore Credentialing Department at Credentialing@evicore.com stating the nature of the request along with the name, address and contact email for facility. Credentials to access the online facility application through App Central will then be forwarded to the requestor via email.

Interpreting radiologists at facilities that are applying for a contract who are not currently credentialed by EviCore will need to complete a physician application and complete the physician credentialing process. Physician applications are also obtained by contacting Credentialing@evicore.com.

Exception: Radiology centers performing outpatient radiology imaging studies in Connecticut (CT) are excluded from the above credentialing requirements.

Instructions for Use

The services described in Oxford policies are subject to the terms, conditions and limitations of the member's contract or certificate. Oxford reserves the right, in its sole discretion, to modify policies as necessary without prior written notice unless otherwise required by Oxford's administrative procedures or applicable state law. The term Oxford includes Oxford Health Plans, LLC and all of its subsidiaries as appropriate for these policies.

Certain policies may not be applicable to Self-Funded members and certain insured products. Refer to the member specific benefit plan document or Certificate of Coverage to determine whether coverage is provided or if there are any exclusions or benefit limitations applicable to any of these policies. If there is a difference between any policy and the member specific benefit plan document or Certificate of Coverage, the member specific benefit plan document or Certificate of Coverage will govern.
