

EC7810 Capitation Detail File enhancements and new reports

Quick reference guide

We're making changes to our capitation reports that should help simplify your workday. **Effective January 2026**, your organization's EC7810 report with the updated fields will be available in the Report Center within the UnitedHealthcare Provider Portal.

How to access your organization's reports

To access reports, sign in to the UnitedHealthcare Provider Portal from any page on UHCprovider.com with your One Healthcare ID. In the portal menu, select Documents & Reporting > Report Center and choose the reports from the dropdown list. If you don't have a One Healthcare ID, register at UHCprovider.com/access.

EC7810 field updates

The following table shows a summary of the changes to the EC7810 Capitation Detail File report. Not all the fields will populate on your report. It depends on your contract terms and the lines of business you're reporting. To see the full EC7810 File Layout with Excel headers, go to the [Report Center](#) on UHCprovider.com.
